The authors regret the article has the wrong NCT number on page 213, Table 1. The Table lists NCT00675688 as the SMART-2 trial but it should be NCT00234819 (<http://clinicaltrials.gov/show/NCT00234819>). NCT00675688 is the correct number for SMART-1.

The authors would like to apologise for any inconvenience caused.
