Maturitas is the official Journal of the European Menopause and Andropause Society (EMAS) and affiliated with the Australasian Menopause Society (AMS). Maturitas is an international multidisciplinary peer reviewed scientific journal of midlife health and beyond publishing original research, reviews, consensus statements and guidelines, and invited mini-reviews. The journal provides a forum for all aspects of postreproductive health in both genders ranging from basic science to health and social care. Topic areas include:

- Aging
- Alternative and Complementary medicines
- Arthritis and Bone Health
- Cancer
- Cardiovascular Health
- Cognitive and Physical Functioning
- Epidemiology, health and social care
- Gynecology/Reproductive Endocrinology
- Nutrition/Obesity Diabetes/Metabolic Syndrome
- Menopause, Ovarian Aging
- Mental Health
- Pharmacology
- Sexuality
- Quality of Life

Maturitas provides a lively and high visibility platform to encourage new insights and exchange of important new developments between researchers, clinicians and care providers in the field of midlife health to promote a personalized approach to healthy aging.
